Mr. Harold Weisberg
~~Heights~~
Hyattstown
Maryland —

Dear Mr. Weisberg —

First, may I congratulate you, on your poise and Common Sense, last Saturday night, when those arrogant Lawyers here "picking" on apart!
My Gods! No wonder so angry — at them — that when it had all Sat - he went to bed — Mad! Mad!
I would like to know where I can get a copy of your book - "Warren with Wash" —

and I
My husband ★ are not writers —
only hope-sensible people —
who has been having a little
secret investigation between
only us, about — what happened
that awful day, in Dallas!
Nov 22-1963 — May that fine
J.F.K. rest in Peace — amen —
he has felt so sure since then —
just exactly as you described
your book — last Sat July 23 —
On the Allen Funk show — we think,
(off the record —) that some of the
"dirty white trash" — as the Colored
people call the Southerners —
had "something to "do," with that
day — as one of their own —
L.B.J. could get in the White House,
Hell — who ordered that dastardly

act. Hope and pray that God
in His Mercy will take that
we do not think it's a source
has any out of this Country "argue"
he think - someone in Dallas.
Who wanted JFK. OUT. is still
Conscious stricken about it —
and the "Warren white wash"
is a wonderful Title for this —
Thanking You for writing
this book — for which I hope to
get one — and hoping the real
Culprit will be found —
but - still won't bring back
our beloved J.F.K. and
hoping Everyone in America
and the world will buy your
book - Yours Gratefully
Mrs. K.F. Sorensen -
